In the Matter of

Amendment of Part 90 of the
Commission's Rules to Adopt
Regulations for Automatic
Vehicle Monitoring Systems

PR Docket NO. 93-61
RM-8013

To the Commission:

MOTION FOR EXTENSION OF TIME

Pursuant to Section 1.46 of the Commissions rules, the Part 15 Coalition, hereby requests a 30 day Extension of Time until August 15, 1993 to file Reply Comments in the above-captioned proceeding.

~~Reply comments in this proceeding are currently due on July~~

Coalition member companies are located throughout the United States. The Chairman of the Coalition and key committee chairs are located in California. Under normal conditions, original comments will not be received until early July and the intervening 4th of July holiday will delay work on this proceeding. Finally, coordination and sign-off from 35 companies will require at least three weeks. Accordingly, a 30 day extension of the current July 15, 1993 date appears reasonable.

THEREFORE, the Part 15 Coalition requests the Commission to extend the date for Reply Comments in PR Docket 93-61 until August 15, 1993.

Respectfully submitted,

THE PART 15 COALITION
